John and Rachel meeting and feeding Rhinos!

Earlier in the year, John and Dianne attended a networking event by the Herefordshire & Worcestershire Chamber of Commerce at Stanbrook Abbey and both had a lovely time. This week, the Chamber put on another networking event, this time at WMSP where John and Rachel got the opportunity to meet and feed Rhinos.

Both John and Rachel thoroughly enjoyed the whole experience and were able to meet a lovely group of people too. We were split into 2 groups with one doing the Rhino experience first, followed by lunch and the 2nd group the same but the other way round.

We were taken up to the enrichment house to meet

and feed 2 of the Rhinos and learnt a lot from Dave who works at WMSP. You'll see how the Rhinos look like they are showing their teeth to John in the picture above and that is exactly what they are doing! This is something that they have been trained through the use of rewards to do as a way of the keepers being able to monitor their health in a less invasive way (they also do this when they are waiting to be fed apple slices which is what John was doing!).

Overall, both had a really amazing day and enjoyed a lovely lunch over which they were able to learn more about the other people that were there in their group.

Excel charity training day at JPL

On 16th August this year, John put on an Excel Charity Training day without charge for several church workers. In exchange for the training they generously gave a donation towards John's half marathon Tearfund sponsorship.

Four people attended the Excel training day and all enjoyed the course content as well as the buffet lunch that was put on for them as well.

You can read more about John's half marathon on the other page!

Company news

Did you notice it? The change at the top? Don't worry if you didn't, it's that we have a new name!

Introducing the new name of... JPL IT Training Limited!

Now don't worry it's the same team behind it and same training, we just thought it was about time for a new name that reflected us as a company.

So if you start hearing from a company called JPL IT Training Limited, do speak to them and reply as it is us!
